31 December 1963

MEMORANDUM FOR: Executive Director-Comptroller

SUBJECT: Manpower Levels and Controls

REFERENCE: Action Memorandum No. A-343

1. Reference memorandum transmitted to us, as of 23 December 1963, newly established personnel ceilings for units within the DD/S&T. These ceiling figures appear to be applicable to FY 64, but the memorandum also states that for budget planning purposes these figures should be considered applicable for FY 65.

2. In connection with FY 65 personnel ceiling, we call your attention to the figure established for the Foreign Missile and Space Analysis Center. In the reference memorandum, personnel ceiling for FMSAC is listed [] We have no quarrel with that figure for the current fiscal year but desire to call to your attention that the DDCI has given us a commitment of an authorized strength [] positions for FMSAC in FY 65. While we have been made aware informally that it is your intention to up the total [] positions for FMSAC to the stated [] in FY 65 by either reprogramming within the agency or by making a specific request for additional ceiling from the Bureau of the Budget, we should like to call to your attention that we are proceeding for budget planning purposes toward a ceiling [] for FMSAC for FY 65.
